# Zay Lin Htet

Full Stack Software Developer

Address Bangkok, 10 10260

Phone +66 0889131528

E-mail zaylinhtet131@gmail.com

Highly motivated and results-oriented full-stack developer with 3 years of hands-on experience in conceptualizing, designing, developing, and implementing full-stack applications across diverse business domains. Possess a comprehensive understanding of both front-end and back-end technologies, allowing to successfully bridge the gap between user-facing requirements and robust, scalable server-side solutions. Excel at working both independently on clearly defined projects and collaboratively within cross-functional teams - adapting approach to ensure project goals are met on time and to the highest quality standards.
